

Word Work Practice Menu

Here are some great ways to get better at spelling your new words!

Do a speed sort! How quickly can you put your words into groups?

Write your words in syllables. Pick different colors for each syllable.

Sort your words in order from easiest for you to spell to most challenging. Practice writing the 5 trickiest!

Sort your words into ABC order.

Rainbow spelling! Write your word in one color, trace over it in another. Try a 3rd color!

Vowels and consonants...write your words with vowels one color and consonants another!

Word Quiz! Sort your words, then cover them up. See how many you can remember and write them down. Check your work!

Triangle spelling! Write your 10 most challenging words one letter at a time to make a triangle pattern.

5 and 5! Pick 5 words in your sort to practice... then see if you can come up with 5 NEW words that fit the same pattern.
