“ A Great Place to Grow and Learn ”

Dear Parents/Guardians,

Timberlea Public School is proud to be partnering with The Centre of Hope and their Raise the Roof campaign to help bring awareness to homelessness in Fort McMurray. On Tuesday, February 3rd, 2015 Timberlea School will be hosting the 2nd Annual Toque Tuesday Assembly. To show your support of this cause you are invited to purchase a Toque or Socks for \$10.00 with all proceeds going to The Centre of Hope. Toques and Socks will be delivered to your son/daughter's classroom on February 3rd and students will be encouraged to wear this toque/socks for our **2nd Annual Toque Tuesday Assembly**. Following this special assembly we will host a Sock-Hop to celebrate. There will also be other opportunities to assist in raising money through the Sock-Hop and a Spirit Week. Students also have the option of showing their support by bringing a toonie and wearing their own toque on February 3rd.

If you are interested in purchasing toque(s)/ socks to support this cause please fill out the bottom portion of this notice and bring it back to your homeroom teacher by **Monday, January 19th**. Photos of size and style of the toque being sold are posted on our school Facebook page as well as our twitter account.

Toques and Socks are \$10.00 each. Please indicate how many you would like to purchase and return this form and money with your child to the classroom teacher. Note: cheques can be made payable to: Timberlea Public School.

Name: _____

Class: _____

Would like to purchase:

_____ number of socks and / or _____ number of toques.
