

Dear Parents/Guardians,

As many of you are now aware, we keep both a daily blog and classroom twitter accounts as a communication tool between students, teachers, and parents. Both accounts are updated on a daily basis and often feature student work and accomplishments. In previous years, we have occasionally featured pictures and videos of students and student work on both the website and the twitter account. Please consider the following to help us to better organize and utilize these accounts for our classroom:

I, _____, give permission for my child _____

to appear in photos or videos on the classroom blog: Yes / No

I, _____, give permission for my child _____

to appear in photos or videos on twitter: Yes / No

RE: Parent Email

Hello everyone! The year is off to a great start and we have been busy, busy, busy. I am looking forward to meeting you all and maintaining contact with all parents/guardians of all students in 4/5M.

I am compiling a list of parent emails for the students in grade 4/5M. I find that email is the most effective method of communication for all involved especially in the busy lives of us living in Fort McMurray. So, if you could send along your email as well as any important information that you would like for me to know, I would greatly appreciate it. Thank you,

Miss Ashley Barrington
